PTAB Bar Association Diversity Committee Committee Report

Top Diverse Practitioners in PTAB Trials (2025)

The PTAB Bar Association is pleased to release its first Top Diverse Practitioners in PTAB Trials list, prepared by the Association's Diversity Committee.

- The list recognizes the diverse practitioners with 20 or more total proceedings before the PTAB as of 2025. The list is based on data provided by DocketAlarm (www.docketalarm.com).
- For the purposes of the report, “diverse” refers to individuals who identify as a member of an underrepresented racial/ethnic group (Black or African American; Hispanic or Latino; Asian or Pacific Islander; Arab-American or Middle Easterner, American Indian or Alaskan Native); individuals who identify as female or nonbinary; first generation college graduates; LGBTQ+ individuals; individuals with disabilities and military veterans.
- Law firms opted in to confirm their interest in participating in the report and sent the list of their diverse PTAB practitioners. Of the 130 firms we contacted, 49 responded they would participate, 14 responded they would *not* participate, and 67 did not respond.
